DURABLE

Provides strong strength and lifetime durability in the applied area.

POWERFUL BOND

It creates a powerful bond between various materials like wood, MDF, metal, marble, natural stone, and more.

FAST ACTING

Achieves initial adhesion in a very short time. This reduces waiting time, saving you time and money.

FILLS THE GAPS

Its gap-filling ability seals spaces and fills in imperfections, creating a flawless finish on flawed or ill-fitting joints.

HIGH WATER AND MOISTURE RESISTANCE

Unaffected by water, moisture, and heat. It won't deform over time, protecting your work and making it perfect.

EASY TO APPLY

The ergonomic bottle provides comfortable use. It's not too runny or too thick, making it easy to apply with a brush or roller.

WHERE TO USE

- Furniture and boat production.
- Fixing of raised flooring layings in combination with mechanical fixtures.
- All bonding applications that need a high water resistance.

Fixing and gluing wooden elements to other various porous and non-porous elements as;

- **Wood**
- **Concrete**

- **Metal**
- **Polystyrene foam**
