

A125

CAR INTERIOR AND AIR CONDITIONER DEODORIZING SPRAY

Description

Akfix 125, Car Interior Air Conditioner and Odor Eliminator Spray is an essential oil-flavored cleaning and disinfection product designed for use in vehicles and air conditioning systems, which eliminates odors caused by bacteria, fungi, cigarettes and microbes with fast and efficient absorption, preventing allergic reactions.

Properties & Features

- Eliminates unpleasant odors that may be caused by bacteria and fungi in the ventilation ducts of air conditioning units and in vehicle interiors.
- Completely disinfects the air conditioning system starting from the radiator inlet and eliminates all odors.
- Provides a pleasant and fresh scent for a long time.
- Has a disinfecting feature.
- Prevents allergic reactions.
- The product in aerosol form is extremely easy to use.
- It offers an effective, practical and reliable cleaning method for vehicle air conditioners with the volatile gas method without injecting any liquid or foam into the air conditioning system.

Fields of Application

- Suitable for use in all vehicles with air conditioning or ventilation systems.
