

A60 CONTACT CLEANER

A special spray produced for cleaning electrical and electronic equipment's electrically conductive link, connection and contact places. Evaporates quickly and leaves a thin protector layer.

FEATURES & BENEFITS

- **Quickly effects and cleans flux traces, removes light oils, finger prints and other contaminants. Provides an efficient transmission.**
- **Periodic planned application prolongs the life expectancy of components,**
- **Non-conductive, non-corrosive,**
- Evaporates quickly and leaves a thin protective layer,
- Safe for all metal surfaces, most rubbers, plastics and coatings,
- Before making a large scale application, test on sensitive plastics, adhesive-mounted or stressed parts,
- Convenient 360° (upside-down) spray valve for easy application.

APPLICATIONS

- Calculators, Computers, Digital Equipment, Electronic Ignitions, Navigation Equipment, Printed Circuits, Radars, Radios, Switches and Relays, Circuit breakers, Alarm and signal systems, Terminals, Plugs, sockets and many more electronic devices.

INSTRUCTIONS

- Before applying the product, disconnect the electronic devices from the power line and wait until all the electricity discharged.
- Spray a sufficient quantity of product to the parts which will be cleaned from a distance of 25-30 cm.
- Contact Cleaner evaporates quickly and does not leave any residue.
- Wiping or brushing supports the cleaning effect.
- Devices should be switched on only when spray has evaporated completely.

Let your
electronic
devices work
more effective.

RESTRICTIONS

- Pressurized container.
- Keep away from direct sunlight.
- Keep away from sources of ignition.
- Use only in well-ventilated areas.
- Keep out of reach of children.

STORAGE AND SHELF LIFE

- Shelf life is 24 months if stored properly.
- Products shall be ideally stored in a cool, dry location in unopened containers at a temperature between 8°C and 28°C (46° and 82°F). Optimal storage is the lower half of this temperature range.

PROPERTIES

Form	: Aerosol
Color	: Clear, colorless liquid
Specific Gravity	: 0,802 gr/ml
Odor	: Solvent
Shelf Life	: 24 months

PRODUCT

Product	Volume	Package
CONTACT CLEANER	200ml	24
CONTACT CLEANER	400ml	12

DISCLAIMER

The technical data contained herein is based on our present knowledge and experience and we cannot be held liable for any errors, inaccuracies, omissions or editorial failings that result from technological changes or research between the date of issue of this document and the date the product is acquired. Before using the product, the user should carry out any necessary tests in order to ensure that the product is suitable for the intended application. Moreover, all users should contact the seller or the manufacturer of the product for additional technical information concerning its use if they think that the information in their possession needs to be clarified in any way, whether for normal use or a specific application of our product.
