

INDUSTRIAL WIPES

1 – DESCRIPTION

Akfix INDUSTRIAL WIPES are industrial strength hand cleaning wipes that are capable of removing oil, grease, paint, ink and adhesives. The textured side of the wipe will gently but efficiently remove all ingrained contamination. The smooth side of the wipe will effectively retain contamination and will prevent re-soiling of the hands. Hands are clean and dry in one application, all without the use of water.

2 – PROPERTIES

- Non-hazardous to user or environment.
- High absorbency – contamination stays on wipe.
- Textured material assists cleaning power.
- Optimum dose of cleaner applied to the wipe.
- Excellent cleaning power – even on tough contaminants.
- Convenient, simple and safe to use.
- Contains Aloe Vera for moisturizing your skin for protection.
- Leaves no residue.

3- APPLICATION AREAS

- Removing difficult contaminants, such as adhesive, gasket residue, bitumen, silicone, ink, oil, grease, lubricants and paint from surfaces.
- Usable on hands.
